

## How to Find a Family Member

You can easily find any member of the Thomas-Bridges family by using the "Search" function in the upper right of this page or by using the special search page by clicking on "Search" in the Main Menu on the left side of the page. Remember that all female family members are listed by their maiden names. Most family names include their middle names. You may need to enter different variations of the name in order to find the person you are looking for. To narrow your search, enter two or more names and check the "exact phrase" button on the search page.
